

Ulfers/Hall Study Abroad Scholarship

The Design Program encourages all majors with interests in theatre design to consider study abroad opportunities and to apply for the Erik Ulfers/Margaret Hall Scholarship. In order to qualify for a scholarship, students must:

- Be a declared Theatre Arts major no later than February 15 to qualify for a scholarship for the summer or fall and no later than September 15 to qualify for a scholarship for the spring semester.
- Have earned 60 s.h. towards the major, have a Design emphasis, and have demonstrated talent and ambition in the classroom and in one or more areas of production, and have expressed a desire to graduate from the University of Iowa with a B.A. in Theatre Arts.
- Participate in an approved study abroad program or an academically significant internship experience abroad that is at least 6 weeks in length.
- Apply by the deadline as noted on the scholarship application.
- See the [Study Abroad](#) page for more information about programs and additional scholarships.

In order to ensure that credit earned while abroad is approved, it is the student's responsibility to complete a Study Abroad Credit Approval Form, which is available from the student's Study Abroad Advisor, and should be submitted to the International Studies program office for review. The student should also make arrangements to submit study abroad transcripts to the Study Abroad office.

Completed applications consist of:

1. a reference letter from a faculty member outside of the design program
2. a statement of purpose essay
3. a print-out of your grade report from MyUI
4. a short reference email from a faculty member in the design program
5. the application form from the internship program and a Study Abroad Conditions of Participation form if relevant

Application Deadline: TBA

Within one semester of completing the study abroad, the student must make a presentation about their research in one of the design classes (coordinated through the Design Faculty) and write a thank you letter to Erik Ulfers.
